

Dear Friends,

While the information and recommendations regarding the Coronavirus COVID-19 change daily, our commitment to keeping everyone at camp safe and healthy remains steadfastly the same. We have been in contact with our local health department. We will continue to work with them and follow all local, state and federal guidelines. In conjunction with governmental authorities, as an accredited camp, we are closely monitoring all recommendations from the American Camp Association.

What else are we doing? We cancelled our in-person dinner and auction last week. We are running our auction online through today, March 20th at 8 p.m. Check it out at campmillhouse.cbo.io and share with family and friends. We have cancelled the April Millhouse Mingle. The Camp office staff is working remotely through March 27th. Beginning Monday, March 27th and for the following 30 days, we are asking that everyone communicate with the office via email (campmillhouse@gmail.com) or by phone (574-233-2202). All paperwork should be mailed to the office or dropped in our mailbox by the parking lot drive.

Camp happens in a close community. We have always taken great care to develop and maintain healthcare practices to address a variety of concerns. We will continue to maintain those high standards as we review our practices with our camp doctor and information received from our local health authorities.

What about camp? At this time we are continuing to plan for another amazing camp season. Luckily, time is on our side. Spring weekend is two months away and summer camp is three months away. As those times approach, we will review current recommendations and make the best decision possible for the health and safety of all individuals at camp. In looking ahead to summer, we continue with all the spring work - looking for the best staff possible to fill all of our open positions, registering campers in the spots we have left, and scheduling pre-camp maintenance and repairs. Our program staff are continuing to work on planning all those fun camp activities.

We encourage you to follow our Camp Facebook page for updates. We will update you as things change. Please work on getting all of your camper's paperwork and payments in to the office by the May 1st deadline. Having everyone's paperwork is vital for us to be prepared to care for your loved one. If you have any questions or concerns, please email the office at campmillhouse@gmail.com. Together, with kindness and compassion for one another, we will get through this trying time.

Peace and love,

A handwritten signature in black ink that reads 'Diana Breden'.
