

Dear Friends:

We hope you are all staying safe and healthy. With the constant change of information coming at all of us each day, we will do our best to keep you updated about camp.

We have had many questions about camp registration and paperwork. As you all know, the original deadline for all paperwork and payment was to be May 1, 2020. Due to the current situation with non-essential doctor visits being cancelled, we are extending the deadline - All paperwork and full payment must be **IN THE OFFICE** no later than June 10, 2020. If you have not yet registered, please keep in mind the following weeks are already full: kids' weeks (male and female), Onederful week (male and female), week 1 (female only), week 6 (male only).

The camp staff will continue to work from home as long as the travel ban remains in effect. The best way to reach the office during this time is via email to [campmillhouse@gmail.com](mailto:campmillhouse@gmail.com). We are planning another fun summer and looking for staff to join us. If you know of anyone looking for a life-changing summer experience, please have them email the office.

As always, please let us know if you have any questions or concerns. We are here to help.

Peace and love,

Diana Breden  
Executive Director
